

Doral Mineral Sands Pty Ltd (Doral or the Company) is committed to working with the communities in which it operates and as such will support organisations and groups in their fundraising initiatives for the benefit of the wider community. Priority is placed on funding projects or events in closest proximity to its operations, being either in the South West or Peel region of Western Australia.

In relation to the Keysbrook operations in Western Australia, all sponsorship commitments must be located within the Shire of Murray or Shire of Serpentine Jarrahdale locality.

The Company will consider funding projects / events with the following focus:

1. Health and Community

Projects, events, sport, art and culture, emergency services and charitable organisations that improve the lifestyle of a significant number of people living in the local area or improves the resources and infrastructure used by a significant number of people in the local area now and in the future.

2. Environment

Community led environmental initiatives that support the Company's approach to sustainable development and sound environmental management.

3. Education

Education based programs or events such as youth, leadership, outreach programs and others that raise awareness of the mining industry, careers, science and technology.

Projects or events must be consistent with Doral's health, safety and corporate responsibility policies.

Doral will not consider requests for:

- Funds sought for travel for any reason;
- Donations to any political party;
- Requests made for the benefit of an individual or only a few or wages or salaries of individuals;
- Ongoing operating costs of an organisation;
- Requests involving prize money;
- Activities of a political or sectarian nature;
- Commercial activities;
- Where a possibly hazardous activity may be involved; and
- When gender, racial or other discrimination may be involved.
